

Naturopa

Il giornale Naturopa, pubblicato dal 1968 , nasce con lo scopo di promuovere la conservazione della natura e la gestione sostenibile delle risorse naturali, e di sviluppare un approccio multidisciplinare alle questioni ambientali.

La rivista è pubblicata nelle due lingue ufficiali del Consiglio d'Europa : Inglese e Francese .

L'ultimo numero . n.103 è stato pubblicato nel 2005. E' stato sostituito dal nuovo giornale Futuropa

I numeri più recenti possono essere scaricati in formato PDF
